IMPORTANT INFORMATION: Please read this sheet immediately

Enclosed are your examination results, we hope that they will allow you to progress to the next stage of your education or to secure the employment of your choice.

If you wish to discuss your results some members of staff will be available in school on the day and in the days following their publication. School Reception should have up-to-date information by the time you receive this letter, so please telephone the school if you require further details.

ENQUIRING ABOUT RESULTS

(Deadline Wednesday 19 September, after which date the Examination Boards will not accept requests for these services)

Students and their parents sometimes wish to have their examination results checked. This can only be carried out via the school Examinations Office and the process can be costly, please see table overleaf of services available and costs. Requests must be made to Mrs Lawrence on 16 August, 23 August (results days) or during the first week of the new term. The fee for the service (Parent pay or cheques only, payable to Mayflower High School) must accompany all requests. You are advised to seek the views of the relevant Head of Subject before making a decision. The Examination Boards offer only English and Mathematics at GCSE level in November as re-sits. Please see Mrs Lawrence for further details and a re-sit form (also available on the website Mayflower/Examinations), the deadline for entry to this session is Friday 28 September.

Priority reviews of marking should only be requested for students whose university place is at stake; these are more expensive but are returned quickly. The deadline for this service is Thursday 23 August.

Year 13 students wishing to request a photocopy of their script must see Mrs Lawrence on the results days at school as she will not be in school at other times during the holidays and the deadline for this service is 23 August (this service is only available for AS/A level exams).

OFFICIAL EXAMINATION BOARD CERTIFICATES

These are official documents which you may need at some time in the future as proof of your examination achievements, so should be kept safely as they are irreplaceable. These will be available for collection from school from 12 November 2018. They must be collected and signed for by yourself, if you wish another person to collect them for you we must have written consent from you prior to the day. In addition the person collecting them will have to produce a form of ID i.e. drivers licence or passport, before we are able to release your certificates. If you are unable or do not wish to collect your certificates you may ask for them to be posted, the cost of this service is £3.50 (Cheques payable to Mayflower High School). All posted certificates have to be sent by the recorded service and will require a signature on delivery. Please be aware that we are only able to keep uncollected certificates in school for a maximum period of 12 months after which you will have to apply directly to the Examination Boards for a certified statement of results for which they charge a substantial fee (at present in excess of £40 per Examination Board). Correspondence regarding examination certificates (money or letters) should be sent to the Examinations Officer at Mayflower High School.
